Good Morning Rhonda,  
I forgot to attach the Action Plan in Word. About a week ago, Israel and I met per Arturo direction to discuss the Action Plan and make any necessary changes. Israel's changes and comments have been incorporated. No one else provided any comments or changes. If you would like to discuss the plans it with you, let me know. . Please provide me any comments and or changes you may have. I would like to see the changes and be able to relay the EJ community position on the item being changed. If it minor changes such as font, and etc. discussion is not necessary.

If you should have any questions or concerns regarding this matter, please advise.
